THE GROUP

HISTORY

- > As one of the oldest industrial families of C.G. State, "The Shrishrimal family" were popularly termed as the Rice Kings of the 1940-50's.
- > Business expansion took place in the field of Solvent Extraction afterwards.
- > Division took place in family business in the 1980's and Mr Kamal Jain ventured away from family business into the field of Road Construction & Infrastructure in the early 80's.
- > Infrastructure projects ranged from airports runway bays including Raipur & Bhubaneswar, Industry setups of Grasim & Raymond Cement among others to various state & national highways in MP, MH & Orissa under the name Vimal Constructions / Aditya Associates.
- > With the vision of customer orientated businesses on the horizon in the start of 2000 diversification into Automobiles took place with consolidated showrooms of Mitsubishi / Hindustan Motors (1998), Toyota Kirloskar Motor (2000), Honda Motorcycles (2002) & Ford Motor Company (2006).
